2010 Leadership Grants
people-based grants
for churches and individuals

2010 Leadership Grants:

Focus: People-based

Scope: the development of leaders through scholarships, research or study travel

Funds: Usually up to \$5,000 annually

Timeframe: 1 - 3 years with annual report and renewal application

Criteria for Funding:

This grant is generally intended for individuals who are working to develop mature leadership skills through study, research or travel. Preference is given to initiatives that provide learning environments to maximise leadership potential.

How to Apply:

1. Send a one page summary of your project detailing:

- A. the nature and context of the activity to be funded
- B. the development outcomes to be achieved
- C. the method of measurement (and important milestones) used to assess the project
- D. the specific financial request

2. Send a letter endorsing this request from the applicant's local minister and elders.

3. Send an accompanying letter which introduces you and provides all your contact details

Each application will be considered, and shortlisted applicants will be invited to submit a more comprehensive application (in writing or face-to-face). Some grants may be made available on the condition of matching funding. Unsuccessful applicants will be notified in writing. Some projects will have considerable merit but will not be funded because of grant limitations that year.
